

Julie Benezet
AUTHOR SPEAKER GALVANIZER

Julie Benezet has devoted her professional life to pursuing the new, building businesses, careers, and helping others do the same. An early Amazon.com executive and leadership expert, she speaks and writes on leading and living in the 21st Century and decoding human behavior in the face of change. She is the author of the award-winning book, [The Journey of Not Knowing: How 21st Century Leaders Can Chart a Course Where There Is None.](#)

Combining conversation, insights, and strategies based on her Core Four principles, Julie enlivens her audiences with ideas and inspiration for confronting the scariness of the unknown to achieve their dreams.

As seen in:

SPEAKING TOPICS:

[Taking Chances to Lead Change](#)

Leading change in our constantly shifting, interconnected world can be difficult, yet our attitude and approach to change determines whether we will be successful. Those who thrive will be the ones who see change as an opportunity to grow, not something to resist.

[Avoiding Conflict Avoidance](#)

Conflict avoidance appears everywhere in business and in life. Not dealing with it wastes precious time, resources, and talent. Overcoming conflict avoidance requires recognizing its many forms, understanding one's personal relationship with conflict, and then knowing how to deal with it.

[Pioneer Your Career - Ten Rules of the Road](#)

Building a career that you love and stays relevant requires a willingness to take chances, form smart alliances and keep your sense of humor. This program lays out ten rules to get you there.
